Participation - Out-of-State Peers

Out-of-state peer data is from the Fall 2014 IPEDS report and may not match accountability data because of differences in the source of the data. Accountability measures are primarily derived from institutional data sent to the CB for CBM reports. Data reported on this out-of-state peer link is obtained from the IPEDS system of institutional reporting to the federal government. Data differences may result from different reporting periods and different definitions for the data elements.

Note: The data for teacher production and certification was provided by SBEC. In some cases, the sum of the categories does not add up to the total. Numbers less than 10 in a category are suppressed. Data for the most recent year shown may be incomplete.

The admission standards for all teacher preparation programs has been modified to insure success rates on all certification examinations in the future. The dip in enrollment (from 145 to 138) is indicative of the overall increase of the admission standards.

The data for this accountability measure is tracked for one year for students who met TSI and for one, two, and three years for students who did not meet TSI for this report.

\*The Unknown (unduplicated) category does not include students who are unknown in some areas and not met in others.

\*\*Unknowns by area include students with waivers or exemptions who have not been reported as meeting TSI on a performance measure; FTIC students with waivers or military exemptions who were reported as meeting TSI in all areas based on performance measures are included in the "met state standards in all areas" category.

**Quality Enhancement Plan**

**37. Quality Enhancement Plan, Including Reaffirmation Year**

The Quality Enhancement Plan at Texas A&M University-Texarkana seeks to transform the quality of student learning by focusing on student engagement as a means to prepare students for leadership roles in society. The plan is the result of nearly a "two-year evolutionary process" according to both the narrative of the plan and several members of the Quality Enhancement Plan Leadership Team (QEPLT), the committee responsible for the development of the plan. After much review and participation by outside groups (i.e., stakeholders), the QEPLT proposed a theme of "Student Engagement in Preparation for Leadership Roles." The plan contains four major initiatives: (1) the development of a Student Leadership Development Center; (2) the development of leadership courses within the various disciplinary areas on campus; (3) faculty engagement in leadership knowledge and skills for engaged pedagogy; and (4) increased levels of leadership learning experiences in students' field of study and community engagement activities. **Excellent Programs**

**38. Excellent Programs**

**Highlighted Excellent Programs 1**

The MS in Counseling has received CACREP Accreditation in 2014. The degree program consists of 60 SCH for the mental health practitioners and 39 SCH for school counselors; both include an intensive and practical internship course whereby the students demonstrate knowledge and skills learned through the course content. More information about the MS in Counseling may be accessed at <http://tamut.edu/Academics/Colleges-and-Departments/CELA/Academic-Programs/Counseling%20Program%20and%20Psychology%20Program/counseling.html>.

**Highlighted Excellent Programs 2**

The College of Business has recently been named as one of the top ten "Best Values" in America by bestvalues.com for delivering a high quality education at an affordable price. Currently, the College of Business is applying for AACSB accreditation. Within the College of Business, the MBA program provides access to a fully online 36 SCH degree program. The MBA program also includes an Energy Leadership track and has partnered with the American Association of Petroleum Geologists to provide this content to individuals in the energy industry. More information is available at <http://tamut.edu/Academics/Colleges-and-Departments/COB/index.php>.
