

Revised Post-Graduation Outcomes for Technical Programs
CB 116 Supplemental Follow-Up Survey Results Report

Explanatory Notes

CIP	8-digit CIP Code
Major	CIP Code Name
Additional Higher Education	Students pursuing additional education subsequent to graduation. Includes those attending public and private institutions who were located by the institution through the CB 116 process.
Employed	Students reported by the college through the CB 116 process as being employed subsequent to graduation.
Self Employed	Students located by the college through the CB 116 process who report that they are self-employed and are not covered by unemployment insurance. May also be included in Employed count.
Volunteer	Students reported by the college through the CB 116 process as volunteers in areas related to their training (i.e. EMS, volunteer fire departments).
Correctional	Students who are attending programs in correctional facilities, as reported by the college through the CB 116.
Other	Students reported as deceased as indicated by the college through the CB 116.
Excluded from Graduate Cohort	The unduplicated count of students excluded from the graduate cohort (Correctional + Other)
Additional Success	Unduplicated count of Net Graduates who were found through the CB 116 process (Additional Higher Education + Employed + Self-Employed + Volunteer).
